# *In Loving Memory,* *John "Wally" Loonan*

**1933-2021**

Wally Loonan was an avid reader who always had a book in his hand. He was a frequent and dedicated patron and great supporter of Caldwell Lake George Library. He served as a Trustee for many years.

Wally always took time to chat with us. He was a great storyteller and we always looked forward to his visits. A friend to all who knew him with a smile that lit up the room. Wally proudly served our country in the United States Air Force during the Korean War. We thank him for his service to our country and to our community.

We are so grateful for the outpouring of love and donations we have received in Wally's memory.

Even after his passing, Wally continues to be a friend to the library.

Wally was a true gentleman. We will always remember his kindness and his smile. May he rest in peace. ❤️

This November, we're celebrating our veterans. Woofs for Warriors is a special organization aimed at placing rescue dogs with veterans suffering from Post-Traumatic Stress Disorder (PTSD). Our very own Roberta VanDerzee works with this organization. Join us for a demonstration on the different levels of service dogs, what they are able to do, and how to act around service dogs out in the world. Roberta will bring Freckles, her husband's service dog in training. She has also curated a reading list of resources for interested patrons. This program is intended for all members of the family, not only veterans!
