## ***This Chapter of Summer Reading has Come to an End***

Between musical productions *The Three Little Bears*, *The Hobbit*, and *The Last Stop on Market Street*, virtual activities through Page Turner Adventures, reading challenges, story times, and new crafts every week, our locals and visitors to the area sure had a busy summer!

We want to give a big thank you to our community partners Lake George Youth Commission, Adirondack Theatre Festival, the Seagle Colony, Stewart's Shops Holiday Match, the Friends of Lake George Library, Margo Nelson and Dennis Wilson, and Finn Lynn. Your contributions are what made this summer's Oceans of Possibilities such a fun and engaging theme!

We look forward to seeing old and new friends again in the library for next summer's theme **All Together Now**, celebrating kindness, friendship, and unity! Summer may be over but there are lots of great things happening in the library starting this fall. See our website for our ongoing schedule of children's activities. We hope to see you soon!

## *It's Library Card Sign-Up Month!*

Since 1987, Library Card Sign-up Month has been held each September to mark the beginning of the school year. During the month, the American Library Association and libraries unite in a national effort to ensure every child signs-up for their own library card.

Throughout the school year, public librarians and library staff will assist parents and caregivers with saving hundreds of dollars on educational resources and services for students. From free access to STEAM programs/activities, educational apps, in-person and virtual homework help, technology workshops to the expertise of librarians, a library card is one of the most cost-effective back-to-school supplies available.

Stop by the library or visit us online to apply for a card today!

# BANNED BOOKS WEEK 2022

September 18–24

Books Unite Us.  
Censorship Divides Us.

ALA American Library Association

*September 18th–24th is Banned  
Books Week!*

Banned Books Week celebrates the freedom to read and spotlights current and historical attempts to censor books in libraries and schools. For 40 years, the annual event has brought together the entire book community — librarians, booksellers, publishers, journalists, teachers, and readers of all types — in shared support of the freedom to seek and to express ideas, even those some consider unorthodox or unpopular. The books featured during Banned Books Week have all been targeted for removal or restriction in libraries and schools. By focusing on efforts across the country to remove or restrict access to books, Banned Books Week draws national attention to the harms of censorship.

Learn more about banned books, book challenges, censorship, and the unifying power of stories by visiting our website or clicking the button below!
