The Caldwell-Lake George Library Book Club will meet on Wednesday, May 10th at 6:30 pm to discuss ***The Extraordinary Life of Sam Hell* by Robert Dugoni**. Sam Hill always saw the world through different eyes. Born with red pupils, he was called “Devil Boy” or Sam “Hell” by his classmates; “God’s will” is what his mother called his ocular albinism. Her words were of little comfort, but Sam persevered, buoyed by his mother’s devout faith, his father’s practical wisdom, and his two other misfit friends.

The Skincare Hoax

**Author Talk with Dr. Fayne Frey at
Caldwell-Lake George Library**

**Wednesday, June 7th, 6:30 pm
336 Canada Street, Lake George**

We all want to have young and healthy skin, yet the beauty industry is so mixed in its messages that most consumers have no way to tell which skincare products are helpful and which claims are pure hype. In *The Skincare Hoax*, skincare expert Dr. Fayne Frey explores the “essential” product categories that are entirely unnecessary, exposes how many well-known skincare ingredients have no scientific basis, and recommends truly effective skincare products and regimens that are easy and affordable.

Dr. Frey is a New York-based, Ivy-League-trained, board-certified dermatologist. She specializes in the diagnosis and treatment of skin cancer. She is a nationally recognized expert in the effectiveness and formulation of over-the-counter skincare products. Please join us for an engaging presentation and discussion of Dr. Frey's book and research. *The Skincare Hoax* will be available for \$25 (cash only, please.) Space is limited; please call the library at (518) 668-2528 to register for this event.

To learn more, visit Dr. Frey's website at <https://fryface.com/>
