Project Local Exhibition: Vincent Woolley

ON DISPLAY JANUARY 10TH-MARCH 1ST

LOCATION:

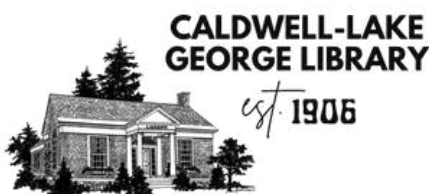

336 CANADA STREET
LAKE GEORGE, NY 12845

Our first Project Local artist for 2025 is Vincent Woolley.

The artist reflects: “I have been a landscape photographer for over 40 years. My favorite subjects include ice, water, river foam, and rock formations of the southwest. My work has grown more abstract over the years and I like images that challenge the viewer. Photography has been my life. It has taken me to many beautiful places around the world and given my life purpose. The way I see the world has changed over the years, and it is wonderful to be able to share my vision with others.”

Vincent Woolley’s photographs will be on display at the library from January 10th through March 1st. Project Local is held in partnership with the Lake George Arts Project.

LOCATION:

336 CANADA STREET
LAKE GEORGE, NY 12845

This class is intended for knitters who already know the basic knit and purl stitches but want guidance on knitting mittens. The patterns for both circular and flat (two needle) mittens are basic beginner level instructions and are available at the library.

Prior to class, knitters are instructed to cast on 40 stitches in red, white or blue yarn with Size 5 needles and knit a K1, P1 ribbing for 4" (or preferred length) in either flat or circular style. In class, our instructor, Anne Dickinson, will demonstrate how to achieve the important transition points: starting the thumb gusset, decreasing for the top of the mitten and knitting the thumb. Please call the library at (518) 668-2528 to register for this event! Happy Knitting!
